Power Supply

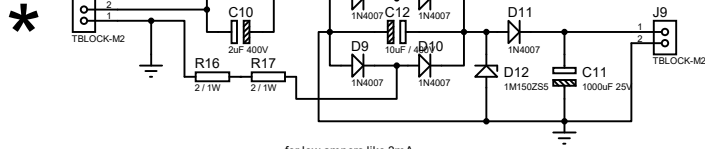

for low ampers like 3mA

2x 220-12 Transformer

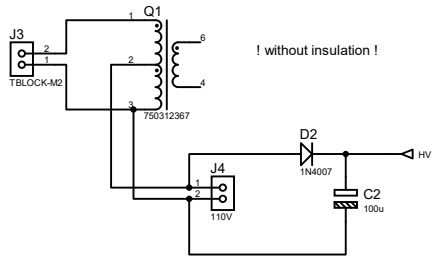

! without insulation !

for low ampers like 3mA

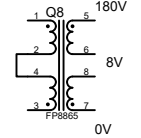

! without insulation !

220-110/12V transformer

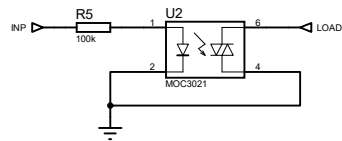

! without insulation !

* 220/8-180V transformer

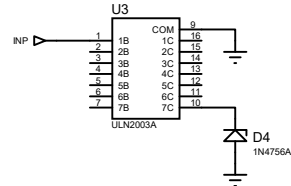

with isolation

Drivers

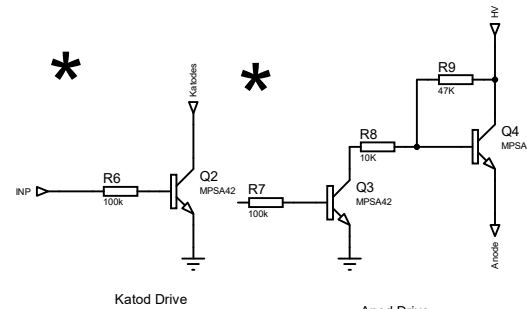

ZENER CLAMP ULN2003 DRIVER

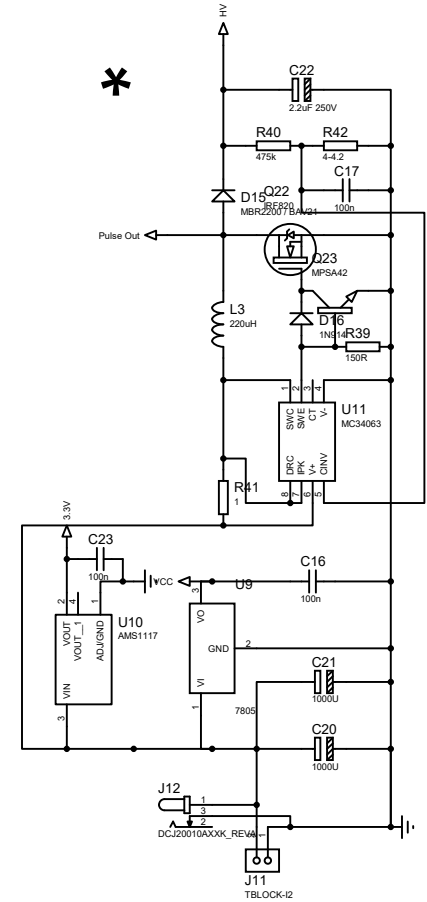

IF USE 180V POWER SUPPLY ZENER WORK BETWEEN 132-180

IF 132V DOESNT ENOUGH LOW FOR NIXIE TUBES, POWER SUPPLY CAN BE DOWNGRADE TO 150-170
